

ECIS 2012 General track

Track chairs

Hans van der Heijden, University of Surrey, UK

Tina Blegind Jensen, Copenhagen Business School, DK

Description

The General track is intended for high quality papers on topics that might not easily fit with one of the other specified tracks for the conference. In line with other tracks, this track welcomes full research papers and research-in-progress papers. All research methods are equally encouraged. Please check the detailed descriptions of other tracks before submitting your paper to this track to ensure a good fit with your submission.
